Mr. Richard Kolasa,  
WL Plastics Company  
3575 Lone Star Circle Suite 300  
Fort Worth TX ,76177

Subject: Approval of WL Plastics PE 4710 Camcore HDPE Pipe

Dear Mr. Kolasa:

This is in reference to your application in which you requested the City of San Diego (City) to evaluate the of WL Plastics PE 4710 Camcore HDPE Pipe for approval and addition to the City's Wastewater Approved Materials List.

The City has completed the evaluation and determined that adequate product information has been presented to approve the WL Plastics PE 4710 Camcore HDPE Pipe. These products will be included in the next Wastewater Approved Materials List update. In the meantime, this letter can be used to verify the City's acceptance.

The acceptance and approval of the WL Plastics PE 4710 Camcore HDPE Pipe is, however, contingent on the following conditions:

- 1) The WL Plastics PE 4710 Camcore HDPE Pipe is manufactured and assembled at Cedar City, UT - PO Box 627, 4660 W Hwy 56 Cedar City, UT , 84721.
- 2) WL Plastics Company shall notify the City in advance of any changes in the product, change in ownership of the manufacturing plant, or change in the location of the manufacturing plant.

WL Plastics Company shall provide application/installation procedures for the product to ensure they meet the current Standard Specifications for Public Works Construction Greenbook and the current City's Whitebook. The installer shall meet the specification conditions required for the proper installation of the product as specified by WL Plastics Company or any of WL Plastics Company's authorized suppliers. WL Plastics Company shall provide a list of approved installers to the City annually.

Any unilateral action by WL Plastics Company without seeking prior consultation and agreement of the City in regard to the above-mentioned conditions and limitations shall constitute a breach of agreement, resulting in the deletion of WL Plastics Systems' product from the City's Approved Materials List.

Congratulations on your success in being included on the City's Wastewater Approved Materials List.

Sincerely,

Anh Nguyen, P.E.  
Senior Civil Engineer
